Entering into the second quarter of this year, we at GCRM are excited about what God is doing. In the Men's Shelter, we've implemented a new 12 week Bible study that is designed to provide applicable scriptural teachings in the areas of finance, motivation, faith, character and relationships. Pray for us that men of God with special gifts in these respective areas will make themselves available as ministers. For more information, please contact Jerry or Lavond at 706-724-6960.

GCRM will host its 9<sup>th</sup> Annual Fish Fry, Saturday May 1<sup>st</sup> from 11:00 a.m. to 2:00 p.m., at the Camp Meeting Grounds of Victory Baptist Church in Clearwater. This is an excellent time to help the mission with your tax deductible donations. With great Gospel singing, inflatable fun, children games and horse back rides, this year's event promises to be the best ever.

Our BBQ Cook-Off and Gospel Fest is right around the corner. The event will be held on Saturday, September 11th. This year we are including Columbia County in the event. They will be performing a 9/11 Honor Ceremony. Don't miss it! We are looking for sponsors and cooks. For more information call John Coffield at 706-724-6960.

Featured top left is Crown Communities Inc., one of the most respected home builders in the Southeast. During a difficult economic time, Crown Communities has been a special blessing to Garden City Rescue Mission. We thank them for their nine generous donations over the past year.

Special thanks to the new churches and ministries that came aboard in support of GCRM during the quarter; Faith Outreach Christian Life Center in Hephzibah, Samaria Baptist Church in Batesburg, Church of the Good Shepherd, Mount Transfiguration Baptist Church in North Augusta, Agape Baptist Church in Martinez, Real World Ministries International in Augusta, Stevens Creek Church in Evans, Abilene Baptist Church in Augusta, and Historic Springfield Baptist Church of Augusta.

Pictured below is Dr. Foster and students from MCG's Helping Hands Program. Since October, Dr. Foster has been in charge of the students performing critical assessments for over 50 GCRM guests, and assuring they were given further mental health treatment (if needed), at Serenity Behavioral Clinic. Our tracking efforts show that 12 guests have been able to get their lives in order and move into housing due partly to the efforts of this program. For this, we thank God.

We thank everyone for their support in prayer and would ask that you continue to pray for GCRM as we reach out to the homeless of the CSRA!
